INSTRUCTIONS TO BIDDERS
Board of Public Works and Safety
City of Fort Wayne, Indiana

February 28, 19⁸⁶
Federally-Assisted Construction

1. Submission of Bids. Sealed bids will be received by The Board of Public Works and Safety of the City of Fort Wayne, in the State of Indiana, hereinafter "The Board" until 9:00 o'clock AM on the 19th day of MARCH, 19⁸⁶, at the Office of The Board in the City-County Building, at which time the bids will be publicly opened and read, for the following described work, as more fully set forth in the specifications:

HOAGLAND/MASTERTSON NPI '86 - RES. NO. 6039-86

To improve Curbs, Sidewalks, Drive Approaches & Street Lighting on:

HOAGLAND AVE. FROM WILLIAMS STREET TO CREIGHTON AVENUE

(Start Date will be contingent on completion of proposed water main project to be installed on Hoagland Ave. from Williams to Creighton - Contact Water Engineering for details)

2. Inclusion of Clauses - If a clause in the Invitation for Bids (IFB) has a box ☐ beside it, the clause applies to the IFB only if it contains a check mark (✓) or an "X". Any questions as to whether a clause is included or not should be referred to The Board.

3. Questions as to Bid Document. If a bidder finds discrepancies in, or omissions from, the bid document or has questions about the project, he should at once contact the City Engineers. If the information requested or change made is substantive, The Board will issue an amendment to the solicitation and will send such amendment to all potential bidders who have procured an Invitation for Bid (IFB). The Board and the City will not be responsible for any oral instructions.

4. Award of Contract (Timeliness, Responsiveness, Responsibility). A contract resulting from the Invitation for Bids will be awarded to the lowest and best timely bidder who is also responsive and responsible. If bids are otherwise equal, award will be made to that bidder granting the largest prompt payment discount.

5. Bid Requirements. All bids shall be endorsed with the title of the work, the name of the bidder, and the date of mailing or presentation. All bids shall be filed in the office of The Board on or before the day and hour set forth above and stated in the advertisement, and no bid received after that time will be accepted. The Board will not accept any late filing regardless of reason, including delays in the mail.

All bids shall include the exact quantities of each item shown on the bidding form for each section of the work, and unless the IFB otherwise states, the total cost of the various sections shall be considered a lump sum bid.

6. Examination of Bids For Responsiveness. After the bids are opened and read, The Board will examine them to determine if they are responsive. In order to be responsive, the bidder must complete all blanks requiring completion, and must submit all information required to be submitted. Any alteration, erasure, or interlineation of the contract or the IFB may cause the bid to be determined non-responsive. Proposals which are unbalanced may also be determined non-responsive.

However, The Board reserves the right to accept any bid, to reject any and all bids, and to waive defects or irregularities on any bid.

7. Determination of Responsibility. Prior to awarding any contract pursuant to this Invitation for Bids, The Board will make a determination of responsibility. An award of a contract to a bidder shall constitute an affirmative determination of responsibility.

In reaching a determination of responsibility, The Board can consider among other factors:

- (a) The Contractor's record of integrity.
- (b) The Contractor's experience and past performance record in construction work.
- (c) The Contractor's financial status.
- (d) The Contractor's capability to perform the project.
- (e) Whether the bidder is in arrears upon or in default of any debt, contract or other obligation to the City of Fort Wayne.
- (f) Whether the bidder is debarred from Federal or City of Fort Wayne contracts.
- (g) The bidder's record in MBE/WBE compliance.
- (h) Whether the bidder is engaged in litigation with the City of Fort Wayne.

In arriving at a determination of responsibility, The Board may institute a pre-award survey on any or all bidders. That pre-award survey may examine any of the considerations relating to a bidder's responsibility as set forth above. Bidders will cooperate with the pre-award survey team. Failure to cooperate can result in a finding of non-responsibility.

☐ 8. Pregualification - In addition to being timely, responsive, and responsible, a bidder must also be prequalified by the State Department of Highways in order to be awarded a Contract.

9. Bid Bond or Deposit. Each bid must be accompanied by a bond executed by the bidder and surety satisfactory to The Board, in a sum of FIVE percent (5%) of the aggregate amount of the bid, but in no case less than \$100.00; or the bidder may deposit with The Board in lieu of such bond, a certified check on a solvent bank in a sum of --- percent (---%) of the aggregate bid or proposal, but in no case less than \$100.00, which certified check shall be payable to the City of Fort Wayne. The bid bond or certified check shall serve as a guarantee that should the said bid be accepted by The Board, the bidder will, within ten (10) days after the time he is notified of the acceptance of the bid, enter into a contract with the City of Fort Wayne for the work bid upon and give bond with surety to be approved by The Board, insuring the faithful completion of the contract.

In case a bid is not accepted, the obligation of the said bond shall be null and void and the certified check will be returned to the bidder, as the case may be. In case a bid is accepted, and the bidder does not enter into a contract with the City of Fort Wayne for the work bid upon within ten (10) days after notification of award, then the obligation of the bond or the certified check shall be forfeited to the City of Fort Wayne for ascertained and/or liquidated damages for failure to enter into a contract: Provided that, the City's action in forfeiting the bond or retaining the certified check shall not preclude the City from taking any further action against the contractor to recover for all actual damage the City has suffered.

10. Sworn Experience Questionnaire, Plan and Equipment Questionnaire and Contractor's Financial Statement. Each bidder will submit with and as part of its bid the following documents under oath and on forms prescribed by the State Board of Accounts, or shall have the following forms on file with The Board which shall not be less than one year old.

- (a) Experience Questionnaire.
- (b) Plan and Equipment Questionnaire, and
- (c) Contractor's Financial Statement (Form 96-A)
or Certificate in Lieu of Financial Statement.

11. Execution of Additional Bid Documents. In addition to all documents previously mentioned as having to be executed and submitted as part of the bid, each bidder will be required as part of its bid to execute and submit the following documents as specified below:

- (a) Certification of Non-Segregated Facilities
- (b) Non-Collusion Affidavit
- ☐ (c) Prequalification Statement
- (d)
- (e)

12. Brand Name or Equal-Specified Materials or Equal. Where, in the specifications, one or more specified materials, trade names, or articles of certain manufacture are mentioned, it is done for the purpose of establishing a basis of durability and proficiency, and not for the purpose of limiting competition. The bidder can submit other names of materials and, if, the Director of The Board, determines that they are equal in durability and sufficiency to those mentioned and of a design in harmony with the work as outlined, then the bid will be accepted as responsive. However, if the Director of The Board determines that such materials are not equal, then the bid may be rejected as non-responsive. Consequently, bidders are advised to submit any such request for changes or deviations in materials to the Director of The Board prior to submitting bids. Any approval of deviation will be by written amendment to the solicitation and will be submitted to all bidders who have obtained IFBs.

14. Minority/Female Hourly Employment Requirements.

The City's policy is to encourage a greater utilization of minority and/or female employees in City construction projects. The Board of Works has, therefore, adopted a minimum goal of 17% of the total work hours on each project to be expended by minority and/or female employees. ("Minority" shall include: Blacks, Hispanic, Asian, Pacific Islander, American Indian or Alaskan Native.)

The bidder shall state in "A" below the percentage of total work hours which the bidder and his subcontractors will employ and utilize women and minority employees on this project. If a contract is awarded as a result of this bid, the percentage figure set forth in "A" shall become contractually binding on the bidder. The successful bidder will also be required to prepare reports for the City demonstrating compliance with this percentage and will allow city officials access to his records, facilities and work site and to those of his subcontractors to determine compliance.

The bidder must fill in the required blanks in this clause in order to be responsive to this IFB. If the bidder does not meet or exceed the hourly utilization goal of 17% minority/female participation, the reasons for this failure and reasonableness and good faith of efforts to meet this goal shall be evaluated to determine whether the bidder is responsible.

THE FOLLOWING IS THE UNDERSIGNED'S COMMITMENT TO MINORITY/FEMALE HOURLY UTILIZATION.

A) Whenever Contractor shall be, and declared by owner to be in default under the Contract, the Owner having performed Owner's obligations thereunder, the Surety may promptly remedy the default, or shall either

1) Complete the Contract in accordance with its terms and conditions; or

2) Obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible bidder, or, if the Owner elects, upon determination by the Owner and the Surety jointly of the lowest responsible bidder, arrange for a contract between such bidder and Owner, and make available as Work progresses (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the

Such notice shall be served by mailing the same by registered mail or certified mail, postage prepaid, in an envel-
